

April 14, 2021

Dear Partners,

Greetings! We are excited to announce that we are streamlining and consolidating all our logistics operations into one unified logistics company called **MMG LOGISTICS CORP.**

As you may well know, currently we provide logistics services through our various sister companies namely MMG Corporation and MMG Logistics Corp. for trucking services, MMG Brokerage Corp. for customs brokerage service, and MMG Forwarding Corp. and Asia World Transport Co. Inc., for freight forwarding services. Beginning April 15, 2021, we will be transitioning for consolidation into **MMG LOGISTICS CORP.**

In line with this endeavor, please let us know what further documentation is required for us to be able to complete this transition seamlessly and successfully on your end.

Note also that all billings shall now be made through **MMG LOGISTICS CORP.** for shipments or transactions that began on or after April 15, 2021. All transactions that began prior to April 15, 2021 shall continue to be billed by the original company (ex. if shipment date is April 14, 2021, Asiaworld Transport Phils Co Inc. shall issue the billing).

Should you have any question or concern, you could coordinate with our Billing Department through email at [edna.ortega@mmg-corp.com](mailto:edna.ortega@mmg-corp.com) or you may call [+63 8555 4516](tel:+6385554516).

Very truly yours,

**MMG Group of Companies**
