Pak-Sino Cross Border Shipment Movement onto Low-Bed Trailers from Kashgar (China) to Islamabad via Karakoram Highways by Star Shipping Pakistan team

## KASHGAR – ISLAMABAD Inland Movement via Sost Border (Pak-China Gateway)

Recently the Cross-Border logistics operations team of Star Shipping Pakistan has achieved a remarkable milestone by delivering multiple on-wheel equipment (Trucks) from Kashgar (China) to Islamabad via the Karakoram Highways.

+/  
The Shipment was received at Kashgar onto Chinese carrier trailers and hauled to Khunjerab Pass, there the shipment got trans-loaded onto Pakistani low-bed trailers and dispatched to its destination in Rawalpindi after the Sost customs scrutiny. The shipment was delivered to its destination without hassle and in sound condition.

Star Shipping Pakistan has been the leading project shipping and inland transportation solutions provider in Pakistan, since the past decade.
