Transportation of an oversize out-gauge load from Karachi Port to Sheikhpura onto extra-long conventional low bed trailer via (N5) National Highway Pakistan

Out-gauge Cargo Transportation from Karachi Port to Sheikhpura Site, Central Punjab

Star Shipping Pakistan is recognized as the trusted & reliable one-stop logistics solution provider for break-bulk, out-gauge & containerized cargo shipments in Pakistan & Worldwide.

Recently, at the end of August 2023 Star Shipping Pakistan logistics team has handled and delivered an abnormal size package containing a turbine rotor from Karachi to Sheikhpura Site, Punjab.

Considering the excessive length and out-gauge width of the package, we customized our low-bed trailer by fabricating 2 additional axles lines at the rear-end of trailer which extended the length of carrier trailer to adequately match the cargo length for utmost safety of cargo during transit.

Weighing 58 Tons (1 unit)

Dimensions: Length 52'ft * Width 14.5'ft * Height 12'ft

Star Shipping Pakistan is the leading project shipping, logistics, inland transportation & engineering solutions provider in Pakistan, since year 2004.

Having strong logistics network in Pakistan, Turkey, Sri-Lanka, China and worldwide, we are constantly creating values by providing quality & efficient logistics and supply chains solutions to our clients in their short-term & long-term projects, worldwide. We are specialized in handling turn-key projects through our vast experience, international connections, shipping & logistics maneuver and hold a laudable history with sound credentials to be ranked as the specialist in handling huge Projects & Heavy-Lift Cargo movement.
